Log-in Instructions – Adobe Captivate Prime

Thank you for participating in the NYU Meyers Preceptor Program. We look forward to working with you to clinically educate our NP students to be 'practice-ready' upon graduation.

Please read the information below to **create an account** for the Preceptor Program.

Adobe Captivate Prime is the learning management system (LMS) that hosts courses that Nurse Practitioner Preceptors take as part of the *Nurse Practitioner Preceptor Development Program (PC-NP-PDP)*. In order to view course content, complete learning modules, and view related materials, you will need to create an account and log into the Adobe Captivate Prime LMS.

Follow the instructions in this document to learn how to create an account and navigate the LMS.

I. CREATE AN ACCOUNT

Click on the link below you will be brought to the registration page (depicted on the right):
